

Richland Middle School-Parent Compact 2023-2024

SCHOOL-PARENT COMPACT

Richland Middle School and the parents of the students participating in activities, services, and programs funded by Title I, Part A of the Elementary and Secondary Education Act (ESEA) (participating children), agree that this compact outlines how the parents, the entire school staff, and the students will share the responsibility for improved student academic achievement and the means by which the school and parents will build and develop a partnership that will help children achieve the State's high standards.

This school-parent compact is in effect during the 2023-2024 school year.

School Responsibilities

Richland Middle School will:

1. Provide high-quality curriculum and instruction in a supportive and effective learning environment that enables the participating children to meet the State's student academic achievement standards as follows:

The teachers and paraprofessionals of Richland Middle are highly qualified and have met the requirements of No Child Left Behind. The BISD Elementary and Secondary Curriculum, Instruction, and Assessment Departments oversee the development and maintenance of a viable and challenging district curriculum that incorporates the standards set forth by the Texas Education Agency in the Texas Essential Knowledge and Skills (TEKS) framework. Support for foundation and enrichment courses is provided through curriculum documents, materials, resources, and training. Considerations to the diverse student population are embedded in the curricula to allow for differentiated instruction so that all students have the opportunity to learn and experience academic success.

2. Hold parent-teacher conferences during which this compact will be discussed as it relates to the individual child's achievement.

Parent-teacher conferences will be held throughout the year. Please check monthly calendars sent out by the school for more information on days and times.
